Services Provided

Services to Permitted Residents – WWP agrees to allow Permitted Residents to dispose of Recyclables and Bulky Waste at the WWP Transfer Station during the Hours of Operation, at no charge to such Plainfield Residents. The restriction is as follows:

- Permitted Residents shall be allowed access up to 18 times per fiscal year.

Services to Non-Permitted Residents – WWP agrees to allow Non-Permitted Residents to dispose of Bulky Waste at the WWP Transfer Station during the Hours of Operation, but only **upon payment of the appropriate prevailing gate rates**. WWP agrees to allow Non-Permitted Residents to dispose of Recyclables at the WWP Transfer Station free of charge, provided such Recyclables are properly disposed in the appropriate and designated area of the WWP Transfer Station.

Services to the Town – WWP agrees to allow the Town and Board of Education Employees driving Town owned vehicles to dispose of Recyclables and Bulky Waste at the WWP Transfer Station during hours of operation.

Services to Religious Institutions within Plainfield – The Town agrees to issue one permit sticker to each religious institution within the Town of Plainfield (one sticker per institution). WWP shall allow each such institution with a validly issued permit sticker to dispose of Recyclables and Bulky Waste at the WWP Transfer Station during the hours of operation, at no charge to such institution. WWP reserves the right to revoke said permit in the event the holder of the permit attempts to bring materials from a location other than the permitted religious institution to the WWP Transfer Station.

Commercial Businesses – Commercial businesses within Plainfield and haulers who haul Recyclable and Bulky Waste from Plainfield businesses or residents shall be allowed to dispose of Recyclables and Bulky Waste at the WWP Transfer Station during the hours of operation, but only **upon payment of the appropriate prevailing gate rates for such disposal**.

Restriction on Access – In no event shall WWP be obligated to allow access to the WWP Transfer Station if it is likely that such access is intended for the disposal of Unacceptable Waste or Unacceptable Waste mixed with Recyclable and Bulky Waste.

Provisions Against Abuse – WWP reserves the right to revoke and/or suspend the permit as issued to any permitted resident in the event WWP determines, suspects or has reason to suspect that such permit is being used in an abusive and/or improper way. By way of example, and in no way limiting the generality of the foregoing, in the event WWP determines that an individual resident is gaining access to the WWP Transfer Station by using stickers as issued to others, then WWP may revoke and/or suspend the permits as issued to such individual and to those other residents.
