VOL. 26

ISSUE 8

August 2018

Dear Members and Friends,

"The hot and hazy days of summer" are certainly holding true so far this year! After such a seemingly long and damp spring...summer arrived with a hot blast! Right here at the Senior Center we have the perfect place to spend some time in a nice air-conditioned environment and perhaps join in on one of our many activities. Meeting some friends for a line-dancing class or exercise class, or a friendly game of bingo or cards is always great fun! Linda has her classes each Wednesday and Thursday, and our library is a great place to pick out a new read...we even have some very comfortable chairs in the library, too! We would enjoy your company and you may find a new friend or two.

I must apologize to everyone for the late arrival of last months' newsletter. We are on a strict deadline from the publisher and our volunteers have been wonderful in coming in on a very short notice to 'put them together' so that they can be brought to the post office in a timely manner enabling everyone to receive their newsletter before the 1st of the month. Due to circumstances beyond our control the publication never left the center until a week after our work was completed. We are currently working on the problem so that they can be mailed much sooner. Thank you for your patience and understanding.

We wish to welcome our newest members: Marguerite Greenman, Susan Dumas, Sharon Denomme, Doreen Peloquin, and Norman Ravenelle. We hope you will join us for some fellowship and activities.

In your quiet times, please remember those members who are homebound and in nursing homes and those who are no longer with us.

True friends are hard to find, difficult to leave, and impossible to forget...

Thank you for being my friend.

SENIOR CLUB NEWS

SPOTLIGHT: Senior Club Travel Update

We certainly have some serious lobster-eating members!! Our trip to the Delaney House for "All You Can Eat Lobster" proved beyond any doubt that we could win any contest!! The food was delicious and Jimmy Mazz had the entire room singing! It was a great trip with a great group of folks!

Our next adventure will be our three day trip to Lancaster, Pennsylvania to see the performance of "Jesus" at the Sight and Sound Theater. From all reports, this is one of their best shows. We will also have dinner at the Dutch Apple Dinner Theater and see a performance of "SWING". We will enjoy a family-style dinner in an Amish Home, visit the Kitchen Kettle Village Shops and enjoy Chalk Talk with Artist Elva Hurst. She is the artist who gave us her beautiful artwork that is in the senior office. We will also have a tour of the Amish Country Farmlands and enjoy a stop at Eli's Stand for warm pretzels and homemade Root Beer! On our way home, we will visit Longwood Gardens. We are currently working on adding a day trip in December...more information coming!

We are already taking reservations for our annual Atlantic City trip next February from the 19th to the 21st, and the cost is \$230.00 per person- double. This will also include a slot bonus, meal vouchers, insurance, and driver's tip. A \$75.00 deposit per person is due by November 15th. Be sure to sign up early!

Planning our Senior Travel Program is always an exciting time, but also a stressful time. We try to include places that are new and different, and the best way for us to do this is by suggestions from you...our travelers! If you have some places you would like to us look into booking.....please let us know. We do this program for all our members to enjoy....so keep those suggestions coming!

PLEASE NOTE THESE IMPORTANT TRAVEL REMINDERS

LIBRARY NEWS BOOK REVIEW ----by Linda Mannix, Senior Center Librarian

THE TOWN MENAGERIE by David Hahn.

The Royal menagerie at the Town of London began with a wedding gift to King Henry III. Starting with three leopards from his new brother-in-law Frederick, the Holy Roman Emperor. Soon afterward these animals were joined by a huge Norwegian polar bear, who was encouraged to fish in the Thames for his nightly supper. Over the next 600 years, the Tower played host to elephants, lions, ostriches, monkeys, zebra, alligators, a rhinoceros, a giraffe and a very brave Spaniel who was one of the Tower's lions pet! This was very interesting and probably the beginning of zoos of the future.

BREAKING NEWS: BYLAWS UPDATE

The Executive Committee reviewed and approved the revised bylaws at their meeting on Thursday July 5, 2018. The bylaws were last updated in 1998! The revised bylaws will be presented for approval at the **General Membership Meeting** on Thursday, October 11th. **The revised bylaws will be available for review at the Center after September 1st.**

Your officers are pleased to tell you that there will be **no** change to the membership dues. They will remain at \$8.00 per year. There are just a few clarifications of terminology and amended wording, and there are a few new committees and programs added.

Because of added costs to our socials, we did decide that effective January 1, 2019, there will be a slight increase to the charge for our socials. We have held the cost for some time but to continue providing the expected quality to our socials, we find that it is necessary to increase the charges to both members and non-members. And since we feel that membership should have its "perks", non-members will now be charged a price of \$2.00 above the member's-only price.

Our thanks go out to the committee who worked on the bylaws. They put many hours and much thought into their review as you will see by the quality of their product. If you see Betty Hollows, Anne Marie Macclavane, Josie Nason or Anne Delmastro, show your appreciation by thanking them for their hard work.

If you have non-member friends who enjoy the activities of our club, we hope you will encourage them to become members as well.
