

BUILDING PERMIT FEES

The Town of Plainfield Building Permit fees are based on the value of your project, including materials and labor. If you are a homeowner doing the project on your own, you must estimate your labor costs even though you are not paying a contractor. If you cannot do this, the town will assign a "per square foot" estimate for your project. The minimum fee for any project up to \$1000.00 is \$15.00. For every \$1000.00 thereafter (value of the project), add \$8.26 to the permit cost and round up or down to the nearest dollar amount. Below is a chart for projects up to \$10,000.00.
